CASE MANAGEMENT ORDER 33E

On December 31, 2025, the Court issued Case Management Order 33C [ECF No. 8622], setting a briefing schedule for Rule 702 Motions as to general causation experts related to thyroid cancer and/or liver cancer. On May 27, 2026, the Court extended the deadline to file Rule 702 Motion to no later than July 24, 2026 [ECF No. 9525-1]. The Parties have since conferred and agreed to a further revised briefing schedule for the Rule 702 Motions. The Court hereby adopts the Parties' proposal and orders as follows:

1. Rule 702 Motions as to experts related to thyroid cancer and/or liver cancer shall be briefed on the following schedule:
   a. Rule 702 Motions to be filed no later than: August 24, 2026.
   b. Responses to Rule 702 Motions to be filed by: October 8, 2026.
   c. Replies in Support of Rule 702 Motions to be filed by: November 2, 2026

IT IS SO ORDERED.

Dated: July 30, 2026
Charleston, South Carolina
