

Summons filed in civil cases are restricted to case participants and it is not possible to simply click on the hyperlink in the NEF to view the document. CM/ECF must verify the attorney is a case participant before granting access to the document. Therefore, the following steps must be used for free access to the **CIVIL Summons**:

- 1) Upon receipt of the NEF, click on the document number. You will see the ECF/PACER login screen.
- 2) Enter your **CM/ECF** login and password.
- 3) If a second login screen appears, enter your **PACER** login and password.
- 4) The document is then displayed.

**PLEASE NOTE:** Using the PACER login first will result in the loss of your free access to the document. If you are charged for retrieval of a document which should have been free, please refer to your quarterly billing statement from PACER for instructions on how to request a credit.
