## **MASTER PLEADINGS**

This Order reflects agreement to date between the parties with respect to the issues contained herein.

AND NOW, this <u>2nd</u> day of June, 2014, the Court hereby enters the following Case Management Order ("CMO") to govern further proceedings in this litigation.

Master Pleadings. The parties shall file master pleadings as follows:

1. **Master Complaint:** On **May 30, 2014**, Plaintiffs shall file a Master Complaint. Once the Master Complaint is filed and this Order is entered, all Complaints currently on file, and all of those subsequently filed, will be deemed to have adopted the Master Complaint, which will become the operative Complaint in every individual action.

2. **Master Answer by Pfizer Inc.:** Within thirty (30) days of the filing of the Master Complaint, Pfizer shall file a Master Answer and Affirmative Defenses ("Master Answer"). The Master Answer shall be deemed to respond to the allegations of the Master Complaint, and for all of the complaints then pending in, filed in, or transferred to MDL No. 2502, as described above, the Master Answer shall be deemed the answer to those allegations

1

that correspond to the Master Complaint and shall be deemed a denial of any allegations not contained in the Master Complaint.

a. The Master Answer is not intended to and shall not waive any applicable defenses available to Pfizer, including any objections to service, jurisdiction or venue, and any defenses to any state law claims, and Pfizer may respond to any individual complaint by way of motions permissible under the Federal Rules of Civil Procedure. Pfizer may also file counterclaims, cross-claims, and/or third-party complaints, pursuant to Rules 13 and 14 of the Federal Rules of Civil Procedure, in connection with any particular individual action, with such filing to be made within sixty (60) days of transfer of the action to the MDL or, for those actions currently pending in the MDL, within sixty (60) days of the filing of the Master Answer, unless good cause is shown for filing at a later date.

b. Because Pfizer shall be deemed to have answered all cases pending in, filed in, or subsequently transferred to MDL No. 2502 upon filing of the Master Answer, cases may only be voluntarily dismissed by order of the Court pursuant to Federal Rules of Civil Procedure Rule 41(a)(2) or a stipulation pursuant to Federal Rules of Civil Procedure Rule 41(a)(1)(ii), except that a complaint filed directly in the MDL may be voluntarily dismissed upon notice by Plaintiff within ten (10) days of the filing of the complaint.

c. Neither the filing of the Master Answer, nor the filing of a Notice of Appearance or ECF registration in an action, nor the appearance at a status conference shall constitute a waiver of any defense of lack of personal jurisdiction.

3. **Response to Master Answer:** Plaintiffs are deemed to deny each allegation of the Master Answer. Plaintiffs in any action consolidated in MDL No. 2502 may also file

2

responsive pleadings allowed under the Federal Rules of Civil Procedure to the Master Answer or any subsequent answer:

a. within sixty (60) days of filing the Master Answer for actions pending in the MDL at the time of said filing;

b. within sixty (60) days of filing any separate individual answer;

c. within sixty (60) days of transfer of the action to the MDL, if such transfer occurs after the filing of the Master Answer; or

d. within sixty (60) days of direct filing a complaint in this MDL.

4. **Short Form Complaint:** Any Plaintiff who files a claim after the entry of this Order shall use the Short Form Complaint attached as Exhibit A to this Order. In addition, within forty-five (45) days of the entry of this Order, any Plaintiffs' counsel that has filed Complaints in or transferred to this MDL proceeding prior to the entry of this Order shall also file Short Form Complaints as attached in Exhibit A to this Order for half of counsel's previously filed cases. Within ninety (90) days of the entry of this Order, such Plaintiffs' counsel shall file Short Form Complaints as attached in Exhibit A for the remainder of counsel's previously filed cases.

5. Greenstone LLC: A Plaintiff shall not name Greenstone LLC as a Defendant in a Short Form Complaint unless she has evidence (such as pharmacy or similar records) or some other good faith basis for believing she was dispensed Greenstone atorvastatin.

AND IT IS SO ORDERED.
