MEDIATION EXPERIENCE

Mediation experience (particularly in the subject matter categories above): _____

Serving as a mediator has been a very small part of my practice to date. I have mediated approximately 10 cases total since taking the mediation course in 2001. However, I routinely participate in mediation as counsel for my clients, both in federal and state employment law court cases, as well as before the EEOC and SHAC. I have also handled arbitrations on behalf of my clients. Thus, while I personally do not serve often as a mediator, I frequently mediate as an attorney.
