Request for Quote – Cyclical Maintenance
Project No. 25-068 to Update Finishes in Clerk's Office
J. L. McMillan Federal Building and Courthouse, Florence

RFQ Number: 25-068
Request Date: 27 August 2025

To: All Qualified Bidders

Attached is a request for **open market pricing** to complete a project for the United States District Court for the District of South Carolina. The project will consist of paint, vinyl wallcovering, carpet, and base. This request will be competitively bid among several vendors.

IMPORTANT: This is a request for quote (RFQ). If you are unable to submit an offer, please indicate so on this form and return it to the Contracting Officer listed below. This request does not commit the government to pay any costs incurred in the preparation of the submission of your offer or to contract for supplies or service should none of the vendors meet the necessary specifications.

A Pre-Bid tour will be conducted on Tuesday, September 9, 2025, at 10:00 a.m. local time in the Florence Clerk's Office. All parties will meet in the third-floor public lobby. This pre-bid tour will occur during a block of tours for four projects in Florence.

Proposals must be delivered to the Contracting Officer (CO) listed below by Tuesday, September 23, 2025, 4:00 PM local time. Mailed, hand-carried, or e-mailed quotes will be accepted and must be received by the date and time noted above. Any proposal received after the above listed date will not be accepted.

A firm fixed price award from this RFQ may be made based on the lowest-priced, technically-acceptable offer. Vendors are urged to submit their best and final offer because no negotiations will take place after offers are received.

Proposal submissions and questions concerning this RFQ should be addressed to:

Dawna Robinette, Contracting Officer (CO)
U.S. District Court
901 Richland Street
Columbia, SC 29201
803.253.3258

All work will be completed to the best of current industry standards.

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
Florence Division

The intent of the statement of work provided above is to convey the work that will be covered under the contract when awarded. However, failure to identify incidental items that would be required to achieve the scope provided, will not constitute a change order.

4) LOCATION AND POINTS OF CONTACT

Location of work is shown on the attached drawings. Work will be performed at the J. L. McMillan Federal Building and Courthouse, 401 West Evans Street, Florence, SC, 29501.

The court's points of contacts (POC) are Dawna Robinette and Michael Ward.

5) PRE-BID TOUR

There will be an optional pre-bid tour of this project on Tuesday, September 9 at 10 AM. Additional access to this space may be available during the building's normal opening hours. Please coordinate with Michael Ward at least three business days in advance of your proposed visit so that he can coordinate with the Florence Clerk's Office to provide an escort. This pre-bid tour will occur during a block of tours for four projects in Florence.

6) BASIS OF AWARD

Offers are evaluated based on price. Award may be made to the lowest-priced offer or quote which meets the technical requirements outlined in the statement of work and is made by a responsible offeror, subject to the availability of funds. The court reserves the right to issue a purchase order awarding all, some, or none of the project. No additional funds will be added to the awarded contract for any corrections or errors due to failure of the contractor to examine the project or to thoroughly understand the nature and extent of the work to be performed. The awarded vendor will be required to register with SAM.gov or complete the court's AO213 form before a purchase order will be issued. **Vendors are required to register with SAM.gov or submit the AO213 form within three (3) days after notice of intent to award.**

It is anticipated that the award of this RFQ will be made within 10 business days after proposals are received. The court will notify each vendor if additional time is needed to evaluate the proposals.

7) SECURITY CLEARANCE

All employees working on the project must undergo and pass a U.S. Probation Office background check. The court will provide the awarded contractor with the "Contractor Clearance Form" to be completed by all employees who will be working on site. **The contractor must submit the completed forms to the court's contracting officer (CO) within five (5) days of the contract's award.**

8) REFERENCES

The contractor must supply a minimum of three references, including the following information: company, company address, contact name, telephone number, and email.

9) SAFETY AND HEALTH

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
Florence Division

- a) All work must comply with the applicable OSHA and EPA requirements of 29 CFR §§ 1910 and 1926 and 40 CFR § 761. All work must comply with the applicable state and municipal safety and health requirements. If the applicable regulations conflict, the most stringent regulation applies.
- b) The contractor must provide the materials, barriers, and safety equipment necessary to protect pedestrians and property during the implementation of this contract.
- c) The contractor must provide all necessary safety equipment, ensure that the equipment is used properly, and ensure that safety procedures used are adequate for the job being performed.
- d) The contractor shall remove all hazardous materials brought into the courthouse at the conclusion of each workday or night and at the conclusion of the project unless other arrangements have been made with the court. If any hazardous materials are left in the courthouse at the conclusion of the project, the contractor shall return to collect and properly dispose of the materials, or the contractor will be charged for the disposal of those materials.
- e) The contractor must report any accidents that occur on the job site to the court.
- f) Any construction project should consider Indoor Air Quality (IAQ) in design and implementation. If applicable, during demolition, dust and noise control must be included. During construction activities, dust, and noise, as well as odors and vapors must be controlled. Paints, varnishes, stains, solvents, etc. are to be low- or non-VOC (volatile organic compounds), unless no alternatives are available (documentation of such must be provided). Activities that may negatively impact other tenants in the building will be required to be conducted after normal working hours (after 6 p.m. and before 6 a.m. weekdays or weekends) with prior approval by the court. Ventilation needed to control odors, dust, VOCs, etc., either for protection of construction workers or for deteriorated IAQ of building tenants, will be the responsibility of the courts.

10) INSURANCE CERTIFICATE

Contractor chosen to complete this work must submit an acceptable insurance certificate within five (5) days of the contract's award naming GSA as the insured party. The following insurance coverage is required by GSA and Federal Acquisition Regulation (FAR) 28.307-2:

a) General Liability

The contracting officer will require the General Contractors and each of its subcontractors who perform any work on the property to obtain and maintain insurance policies which meet or exceed the following insurance terms, conditions, requirements, and coverages:

- i) Each contractor shall obtain and maintain liability insurance in an amount of not less than \$1,000,000 combined single limit for accidents or occurrences which cause bodily injury, death, or property damage to any member of the public caused by or related to the construction, installation, operation, maintenance replacement, removal or other activity related to the property.
- ii) Each contractor shall obtain and maintain property damage liability insurance in an amount of not less than \$100,000 per occurrence.

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
Florence Division

- iii) The insurance policy shall name the General Services Administration, its employees, and officials, as their interest may appear, as additional insureds. A copy of the policy's Additional Insured document must be provided to the court prior to commencement of any work.

b) Automotive Liability

The contracting officer shall require automobile liability insurance written on the comprehensive form of policy. The policy shall provide for bodily injury and property damage liability covering the operation of all automobiles used in connection with performing the contract. Policies covering automobiles operated in the United States shall provide coverage of at least \$200,000 per person and \$500,000 per occurrence for bodily injury and \$20,000 per occurrence for property damage. The amount of liability coverage on other policies shall be commensurate with any legal requirements of the locality and sufficient to meet normal and customary claims.

c) Workers' Compensation and Employer's Liability

Contractors are required to comply with applicable Federal and State workers' compensation and occupational disease statutes. If occupational diseases are not compensable under those statutes, they will be covered under the employer's liability section of the insurance policy, except when contract operations are so commingled with a contractor's commercial operations that it would not be practical to require this coverage. Employer's liability coverage of at least \$100,000 is required.

11) SECURITY DRAWINGS AND BUILDING DOCUMENTS

Associated plans, drawings, or specifications provided under this solicitation are intended for use by prospective contractors. In support of this requirement, the court requires contractors to:

- a) limit reproduction, dissemination, or disclosure of covered materials only to person/s or party/ies related to this acquisition or otherwise authorized to receive such information;
- b) use reasonable care to safeguard any drawings or solicitation documents provided by the court; and
- c) make every reasonable and prudent effort to destroy or render useless all drawings and solicitation documents, with the sole exception of the contractor's record copy.

12) PRE-INSTALLATION REQUIREMENTS

Before repair or installation services commence, the contractor must inspect the work site and ascertain all information necessary for the diligent performance of the contract requirements. The contractor must notify the POCs of any conditions that might prevent the performance of these requirements.

13) SUPPLIES, MATERIALS, EQUIPMENT, AND MOVING

- a) Unless otherwise agreed between the parties, the contractor must furnish and use supplies, materials, and equipment that are commercially available products of reputable manufacturers or suppliers. These supplies, materials, and equipment may not harm or damage the surfaces to which they are applied, or any other part of the building, its contents, or equipment.

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
Florence Division

- b) The POCs must approve and determine the suitability of the supplies, materials, and equipment used by the contractor before the contractor starts work. Note: The contractor cannot perform work that involves asbestos or lead paint. The court must refer this work to GSA for abatement.
- c) The contractor must supply warranty information on products, materials, and workmanship.
- d) The contractor must post Material Safety Data Sheets (MSDS) for all products used in this project at the job site that could pose a health risk, such as glue, paint, solvents, etc. Additionally, the contractor must provide a copy of the MSDS to the court. GSA reserves the right to prohibit the presence, storage, or use of any hazardous material in the building.
- e) The contractor will be responsible for moving all furniture, systems furniture, boxes, and equipment necessary to perform each project.

14) WORKMANSHIP

- a) The contractor must schedule and coordinate all work with the POCs.
- b) The contractor must use an adequate number of skilled workers who are thoroughly trained and experienced in the necessary crafts, and who are completely familiar with the specified requirements and methods needed for the proper completion of the work.
- c) The contractor must accomplish all work in accordance with the best practices of the trade.

15) CLEAN-UP

The contractor must cover or remove all furniture from the space to ensure it is kept clean. Any furniture moved from the space is to be returned to its original location upon completion of the project. If the furniture is moved out of the space, the storage location must be approved by the court.

- a) The contractor must remove all debris generated in the performance of this contract daily. The contractor may not use the dumpsters or trash receptacles within the building. Any cost/s associated with procuring a dumpster for this project shall be paid by the contractor. The contractor will inform the POC if a dumpster is needed. The contractor and POC shall coordinate jointly with GSA to select a suitable location for any dumpster. Any cost/s associated with providing space outside the building for a dumpster shall be paid by the contractor.
- b) The contractor must remove and dispose of all unused materials, containers, wrappings, trimmings, and all other debris accumulated during performance of this contract.
- c) Upon completion of the project, the contractor must clean the space before moving back furniture, boxes and equipment. Cleaning must include, but is not limited to, vacuuming and dusting.

16) QUALITY, PERFORMANCE, AND ACCEPTANCE

- a) When a contract is signed, the court and the contractor intend to perform their respective obligations. The court will periodically inspect all work during the performance of the contract to assess the quality of work being performed. The contractor and court will agree to address all

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
Florence Division

performance issues immediately after they are discovered whether by the contractor or the court.

- b) The court monitors contract performance closely to ensure that required end-items are delivered on time and are in compliance with the Statement of Work.
- c) Work shall be completed within 90 days after the pre-construction meeting is held with the court and the contractor. Extensions may be granted, but only with prior approval of the court.
- d) Upon completion of the project, the POC will conduct a walk-through with the contractor to inspect the work. The POC will ensure that the work has been satisfactorily completed and conforms with requirements set forth in the contract. The POC has the right to reject any unsatisfactory material or workmanship. Any items on the punch list must be completed in a timely manner and to the satisfaction of the POC.

17) TAXES

The contractor is responsible for taxes on all materials and labor associated with this contract. The Federal Judiciary is a tax-exempt organization and will not pay for any taxes on materials or services.

18) INVOICES

- a) Contractor should clearly specify payment terms on all invoices. If no terms are specified, the invoice will be processed under Net 30 terms.
- b) Invoices will only be accepted after materials are on site at the worksite or services have been rendered. Partial invoices will be considered up to 80% of the contract amount.
- c) For payment purposes, the contractor must mark the final invoice for payment as "Final Invoice for Payment."

19) PROCUREMENT PROVISIONS, CLAUSES, TERMS AND CONDITIONS

Once the contractor has accepted a purchase order, by either signing the purchase order or providing the service, this Scope of Work will become the basis for the contract. The contractor selected for this award must abide by all the terms and conditions listed below.

(A) Provision B-1, Solicitation Provisions Incorporated by Reference (SEP 2010)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the contracting officer will make their full text available.
